*Thank you for supporting The Sunshine Center and the Capital City Blues & River Festival. The Sunshine Center is a private, nonprofit organization dedicated to healing the families in our community suffering from the effects of abuse. The Sunshine Center operates **the only** domestic violence safe house in Franklin County serving Franklin and surrounding counties. Its mission is to create a safe, neutral and nurturing environment for children and families through education, counseling, safe housing, visitation, and awareness. Members of the organization include representatives of the court system, law enforcement, social services, the school system and other interested citizens. All proceeds from the Capital City Blues & River Festival benefit **The Sunshine Center***
